Superintendent's Message

The class of 1966 is to be congratulated for continuing the publication of the "Carrollian". Producing a yearbook requires planning, organization, and hard work on the part of staff members and editors. I extend my congratulations to everyone who has helped make this yearbook possible.

I would like to extend my best wishes to each member of the class of 1966 for a meaningful and successful future; and may your years at Carroll High be remembered as having made a definite contribution to your educational, social, and moral stature.
